## Autodesk Revit Live 2019.2.1 Free Download Latest Version

Within the Revit Live application, there is no longer a presentation mode, since Revit Live 2.0 is always in presentation mode. For users wanting to publish and share their real-time experience with collaborators, there is still a publishing capability for Windows, which produces a self-contained zip file. This self-contained Live scene does not require the use of an app and can be launched standalone, without requiring the end user to install anything on their machine. If Revit 2019 and Revit LT 2019 are installed side-by-side and the 2019.2.1 Hotfix is only applied to one of these products, a Could not load type Autodesk.Revit.DB.ICloudExternalServer from assembly error will be displayed when launching the non-updated product. To alleviate this error, make sure to apply the 2019.2.1 Hotfix to both Revit and Revit LT in side-by-side configurations. You can download a free trial on Autodesk.com to try out the features of Autodesk Revit. Alternatively, you can download the free trial of Autodesk® Revit® Setup software and get ready to rock. There is no better time than now to change or enhance your current Revit workflow because of the latest features and enhancements. In the spirit of support, there is a free support forum available on Autodesk Help ; find answers to your questions from Autodesk experts or chat with your fellow Revit users. For the latest news and updates, subscribe to our free email newsletters at tips.autodesk.com . Weve also made improvements to the document syncing and connectivity between BIM 360 Design and the Revit LT platform. For example, improvements to the connections between Revit LT, Revit 2019 and Revit Live. 5ec8ef588b
